### DCD Rewind

I'm sure some of you have been wondering where we have been for so long. No worries...we've been right here all along!! With so many changes and events that have taken place, we thought a recap from the past year would explain things best.

First major milestone...  
 Happy 20<sup>th</sup> Anniversary DCD!! In July of 2010, DCD celebrated it's platinum anniversary. Nothing like celebrating with a picnic and a new sign at the entrance. Thank you to all who have journeyed with us along the path to success.  
 We look forward to the long haul!

Now for personal milestones...  
 Some chose the wiser route and stayed home on their 50<sup>th</sup> birthday, like Chuck Thomas. He is one of our shop personnel and if you own any DCD cabinetry, you have a piece of his craftsmanship in your home. However some opted for the not-so-safe route and came to work for a day of harassment! Not to name any names, but I'm sure the pictures will be a dead give away!!

We are advising to use caution when drinking the water here at DCD. Unless, you want to join the 2 office girls who have had new additions to their families this past year. Natalie welcomed Ezekiel Michael on August 20<sup>th</sup>, 2010 and Jennifer welcomed Noah Christopher on December 29<sup>th</sup>, 2010.

If that isn't enough, we have also added an office mascot recently. Sasha, Dave's Siberian Husky, will happily greet you at the door, and with her weeks of doggie training, leave no reasons to fear our canine greeter.

And as always, the work in the showroom is never done. In order to keep up with the Joneses, renovations seem to take place on a weekly basis. New vanities, kitchens, cabinet displays, and counter top options round off just a few of the changes that have happened this year.

If you haven't had a chance to stop by for a visit recently, please come see us soon! We would be happy to take you on a tour of the ever changing and improving DCD showroom.
